

# MARÍA JOSÉ FLORES PÉREZ

COO OF OSLER AI

## ABOUT ME

I am a very responsible and perseverant person, I am respectful and empathetic with people; I consider myself a sociable young woman who fully trusts in herself, in her skills and knowledge. Partner of Osler AI, a web application that seeks that all people can have quality medical care. Passionate about science, especially chemistry and biology.

## COMPETENCES

- Working effectively within a team to accomplish key objectives.
- Managing workload, meeting deadlines and being organised at all times.
- Managing one's time effectively, especially when working on multiple projects or with various clients at the same time.
- Having the ability to communicate and interact well with others around you
